MEET OUR FOUNDERS

Following my dream and passion has always been a goal I have worked towards, and I'm incredibly grateful to my husband for his unwavering motivation and guidance.

My focus is to remain patient and dedicated, while adapting when necessary, to take Anuroop Homegifts to new heights. We hope you enjoy our thoughtfully crafted trays, tea Chester's, cutlery, and wedding and jewellery boxes that add elegance to every occasion.

ANUBHA

As a proud Fauji wife, I've had the privilege of embracing the resilience, adaptability, and creativity that come with military life.

These experiences have inspired me to turn my passion into this new venture, crafting curated home gifting solutions and multi-utility boxes that seamlessly combine style and practicality.

Each piece is thoughtfully designed to bring joy and functionality to homes, capturing the unique stories and journeys we all hold dear. My goal is to offer products that truly resonate with both, heart and home.
